2. Educational Support

Evaluation: Four years ago, the European Schools introduced a new **Educational Support policy** replacing what was known as "rattrapage" and SEN-policy, with the intention to make support more flexible and child oriented. The first full evaluation of its implementation is now on-going across all the European Schools. To prepare to give a truthful and critical feedback to the inspectors for educational support from the parents' perspective, we will soon address a **fully anonymous questionnaire** to all parents. We hope in a numerous participation of all parents having, or having had in the past, experience with any form of educational support for their children, be it general, moderate or intensive support.

Stade de remédiation pour enfants et ados DYS : L'APEEEL2 a été informée de la tenue de ce stage pour les enfants et adolescents dyslexiques, dyscalculiques, dysorthographiques et dysgraphiques. Organisé

par l'Association PUISSANCE DYS pour la première fois au Luxembourg du 3 au 5 mars 2017 à Hespérange.

3. Transport:

We continue studying improvements to the transport infrastructures and mobility issues. A meeting for parents and other stakeholders on transport and mobility will be soon organised.

4. CoMoNe: January Coffee Morning Networking was dedicated to Ranka Sarenac's presentation on Compassionate Parenting (Non-Violent Communication)

"There is a key to every child that leads us to understand, appreciate, respect and hold with compassion his/her personality, his/her way of being in this world." Ranka Sarenac gave us some hints about how to get a hold of that key for our own child or children.

She talked about non - violent communication and how it applies to both our family and school life through the perspective of the parent, the child and the adult in general; about the benefits of differentiating our observations from evaluations, of identifying feelings and needs underpinning our actions, of making clear requests for establishing a contact and/or taking a concrete positive action.

Ranka Šarenac, graduated Psychologist and Trainer, developed her program "SeeMe" in order to support parents and professional educators to behave with children the way they want them to behave towards others: with understanding, respect and compassion.

Next CoMoNe: **Tuesday, February 28th**, 8.30am to 10.30, Cafeteria

5. Eurosport

Eurosport fait partie intégrante des activités des Ecoles Européennes. C'est un évènement sportif majeur qui favorise l'interaction sociale et sportive entre les Ecoles. Pour la première fois cette année, les Ecoles Européennes accréditées sont invitées à y participer. 17 équipes différentes vont donc s'affronter sportivement **du 22 au 25 mars 2017**.

15 filles et 15 garçons, élèves en S5, S6 ou S7, seront présents à Bruxelles pour représenter les couleurs de notre Ecole dans les épreuves de Football, Volley Ball, Badminton et Aquathlon. Ces élèves sélectionnés pour leur motivation, leur comportement, leurs performances sportives ainsi que leur esprit d'équipe s'entraînent régulièrement depuis plusieurs semaines.

L'APEEEL2 est heureuse de soutenir à la fois l'équipe de Lux2 et cet évènement en participant financièrement à l'acquisition des tenues sportives des élèves.

Nous souhaitons bonne chance à notre équipe et nous vous invitons à les soutenir avec nous !

6. Canteen Committee

Surprise visits with class representatives: APEEEL2 has inaugurated a new way in performing the canteen "surprise" visits inviting 3 class representatives from different linguistic sections and cycles to join the APEEEL2 team. The first visit took place on Monday 13/2/2017 and we count on more class representatives joining us in the upcoming visits.

A visit report is drafted and will be submitted to the canteen committee for information, decisions and actions.

Please note that the next canteen committee will take place on Monday 27/3.

Get your favourite dish to the canteen menus: We are inviting our members to let us know which has been their kid's favourite dish in the past weeks so that we can ask it to be included more often in the canteen menus.
