“ Summer is the annual permission slip to be lazy. To do nothing and have it count for something.

To lie in the grass and count the stars. To sit on a branch and study the clouds.”

As a parent, we would kindly like to remind you that you could attend the Careers' Day as a speaker and explain your professional experience and career path to secondary students. We definitively need you!

1. APEEEL2 Call for application

After our call for application to join our APEEEL2 Management Committee, we received 9 applications (new members and members who reapplied) for 9 available posts so we didn't have to run any elections. Please find hereafter the names of the parents that will form your APEEEL2 Management Committee for school year 2017-2018. We would like to heartily welcome the new parents who offered to join us and we deeply thank the members who decided not to stay but who have donated their time and energy these past years to the Parents Association and to the school. A big thank to Sandra Pino, Kostas Chatzis & Michael Hoffman.

2. Canteen Committee (19/6/2017)

- A new working group has been created to follow the project of the self-service for primary pupils. The instalment will start straight after the end of the school year (in July) and the self will be ready in September at the beginning of the year 2017/2018. Smaller trays have been ordered for P1 & P2 pupils in order to better manage the weight of it. APEEEL2 offered their help to guide the pupils the first week with this new concept until the pupils get used to.
- The Canteen committee was expecting the results of an acoustic study in the primary canteen. This will be relaunched after the installation of the self-service in order to have a better result.

- Results of the satisfaction survey organized by Eurest: pupils answered on average that they were satisfied except for the buffet Pasta in the secondary, so Eurest will concentrate on how to better work it. APEEEL2 also suggested to introduce some whole grain pasta in order to have more vitamins.

3. School Fete

APEEEL2 and the School Direction had to fix the date of the next school fete in 2018. As you know, the salle des Fêtes is used in June as an exam room for the bac and the compos, that's the reason why we traditionally have our school fete in May. In May 2018, with the Pentecost holidays and the different bank holidays, there are not so many possibilities. So, the date which has been chosen is **Saturday 5th May**. Do not hesitate to already save the date on your calendar!

4. Bac results

Les élèves de S7 viennent de terminer leurs épreuves du bac. La cérémonie du bac aura lieu vendredi 7 juillet et nous pouvons d'ores et déjà vous informer que 98% des élèves ont obtenu leur diplôme. Félicitations à eux et à leurs parents !
