CAREERS DAY
September 28th, 2017
Call for Speakers

Dear Parents,

The European School Lux II and the parents' association APEEEL2 are organising the third **CAREERS DAY** event on Thursday 28th September 2017 from 17:00 to 20:00.

The evening aims to respond to the recurring demand from secondary students in year 4, 5, 6 and 7 to be better informed on study choices and related career paths by giving them an opportunity to speak with experts and professionals working and studying in different sectors.

The active involvement of parents is essential for the success of the event therefore we are calling on parents, alumni, friends, colleagues as well as institutions that would be willing to share their academic and/or professional experience with the students.

Participation would involve three sessions where you would give a presentation with other professionals in your field to small groups of students followed by a question and answer session with the students. Refreshments will be served at the end of the evening where you will have a chance to talk individually with the students.

Please join in in the **CAREERS DAY** event to give the students every chance to be fully informed about the choices that are available to them when they come to decide on their future. If you decide to help please fill in the very brief form available under the link Careers Day - September 28th 2017. For any further questions contact careersdaylux2@gmail.com.

Please share this call for speakers with friends and colleagues, who could also be interested in participating.

We thank you in advance for your commitment to this important project,

Best regards,

Martin WEDEL
Deputy Director

Delphine BALLAGUY
President of APEEEL2
