#WorldCancerDay

#IAmAndIWill

World Cancer Day is the global uniting
initiative led by the Union for International Cancer Control (UICC). By raising worldwide awareness, improving education and catalyzing personal, collective and government action, we can work together to reimagine a world where millions of preventable cancer deaths are saved and access to life-saving cancer treatment and care is equal for all - no matter who you are or where you live.

This year's World Cancer Day's theme, **'I Am and I Will'**, is all about you and your commitment to act.

You can come to school and wear something **orange** on February 4th, be part of the **WONDERTEAM EEL2** and participate to the next *RELAIS POUR LA VIE* or make a donation to support our team (https://monespace.relaispourlavie.lu/trophees/2021/433).

Get involved **anyway you can.** Together we can create the change!
