Our Mission:

In joining this significant solidarity event, we aim to achieve two important goals:

- **Expressing Solidarity:**
- We want to stand by the side of cancer patients and their loved ones, showing unwavering support in their challenging journey.
- **Fundraising for a Cause:**
- Our primary objective is to raise funds that will contribute to the goals of the Cancer Foundation: reduce the number of cancer cases, reduce the number of deaths from cancer, help those affected by increasing their quality of life and support research

The "Relais pour la vie" is not merely a running race; it symbolizes hope, courage, and the strength that comes from standing together. Your support is crucial in helping us make a meaningful impact.

- **How You Can Contribute**

- **Monetary Donations:** Your financial contribution will directly fund life-saving initiatives, cancer prevention programs, and support for individuals grappling with the hardships of this illness.
- **Spread the Word:** Share our mission with your network. Every voice counts, and your advocacy can make a significant difference.

- **Donation Details:**

- **Amount:** The donation amount is completely at your discretion; any contribution is greatly appreciated.
- **Payment Options:** Via the official website link here below
