- **CAMP 2 – Climbing & Fun: for P3-P4-P5 pupils**
  REGISTRATIONS on Wednesday 24 April 2024 **at 10:00**.

  Our range of extra-curricular climbing lessons was limited this year because of Eurosport, so we're offering this year your children the chance to discover or improve their climbing skills over the course of a week, which will be rounded off with fun and creative activities devised by our instructor Silvia around the theme of the explorer Marco Polo.

  Pupils will be divided into 2 groups for the Climbing & Fun camps. They will be assigned to the same group for the whole week. A group will climb in the morning and the other group will climb in the afternoon.

  Please note that for obvious security reasons, the size of the 2 groups is limited so don’t wait for registering.

  All levels of climbing are accepted (beginners and advanced). Our climbing instructor considers P1 and P2 children are too young to start climbing in good conditions, so this camp is only open to P3 to P5 pupils.

  Pupils will learn about safety techniques and technical challenges such as rappels, pendulums, via cordata, but also basic gestural techniques on routes and bouldering.
